| Mr. Dulles brought up the question of policy in regard to release of information on Russian atomic matters. Mr. said that as It might be well to get suggestions from Gen. Cabell. Cabell's suggestions coupled with our responsibility for protection of intelligence sources should give us some guidance as to our future position in relation to publicity. Mr. Wolf stated that both Gen. Wyman and Col. King were preparing memoranda on their Far Eastern trip. | 25X 25 |
